RE: Business Resource Network

Kelly:

I just wanted to thank you for bringing the Business Resource Network to my attention. I never realized there were so many resources available to small businesses. It has been wonderful to have a one stop source for so many items.

The BRN made everything so easy. Having your team of professionals assess the needs of our company, and put together a comprehensive list of resources for developing an employee hand book, On the Job training program, and job postings has been fantastic. The BRN basically did all the leg work for me.

You and everyone on you team has been incredibly helpful. I know I will continue to access the services of the Employment Source and the Business Resource Network.

Thank you again for all the assistance you have provided our organization.

Sincerely,
